

## I AM A CAT

I am a cat, I wear shades. I'm the coolest cat in town, I live in Vegas. I gamble for mice. I've been stained, soiled and booted by the people I beat, actually I love it. Sometimes I ask for cigars instead of mice (I don't like the cigars, but im cool), I look shabby with red, green, blue and brown fur (I got all the colours from cigars, wine and graffiti). One day I came up to the gambling joint and they (the humans) started shouting the dirtiest, foulest, bilthey, muchy, unclear, gosse words at me. Then one human came up to me and said, who votes that this cat should leave? Everybody

said, "yes". So I decided to go to New York and play Baseball.
